

Anne:

Jennifer is collecting the revised paper and I will let Stephanie and all of the students know where, exactly, the papers will be housed. There will be a link on [www.educationlawconsortium.org](http://www.educationlawconsortium.org) to the site. I am working with the designer. Going steadily -- and the papers coming back in this week will speed along the process. Hope you are well. Looking forward to our meeting with Tom. See you then. Best wishes. Doug.

I had this person make some changes, but it should be good to go online. Could you let her know where she can find it?

Thanks.

See you soon,

Prof. Dupre,

I made the final changes to my paper and have attached it.  
Could you let me know where I can find it once it is put  
online? I'd like to put it on my resume!

Thanks again for all your help. If there is anything else  
you need from me, just let me know.
